Ever Feel This Way?

THE FOLLOWING SYMPTOMS, described by ladies who have been cured by Cardui, may be just LIKE YOUR OWN CASE. If so, take CARDUL, for YOUR female troubles. It will help you.

ACHED ALL OVER

Two years ago, my health was very bad. I suffered untold misery and ached all over every month. At times I wished for death, to end my suffering. At last I decided to try Wine of Cardui. Twelve bottles of this wonderful medicine stopped my suffering, and made my

life worth living.
MRS. MATTIE CAMPBELL, Ratcliff, Texas.

FEMALE CATARRH

I suffered for nine (9) years with female catarrh, which caused many disagreeable symptoms. At last I decided to abandon other medicines and try Wine of Cardui, and have been improving ever since. Now I am almost as strong as I ever was and ask for no one to help me with my housework.

CORDIE ABERNATHY, Gaffney, S. C.

MORNING SICKNESS

I cannot say enough in praise of Cardui. It is a blessing to suffering women. During pregnancy, I vomited nearly all I ate and my limbs were swollen, so I could not walk. A week after taking Cardui, the swelling was nearly all gone, and though I have had 12 children, the baby that came after taking Cardui, was the easiest birth and the fattest baby I ever had.

MRS. ALICE COTTEN, Wheeling, W. Va.

ALL RUN DOWN

About five years ago, I was all run down, having been afflicted with female trouble for several years. The doctor said I would have to have an operation, but I began to take Cardui, and before I had taken half a bottle I felt like a different woman. Whenever I feel over-worked or run-down, a few doses of Cardui make me feel better.

MRS. A. BRYNER, Cameron, Ill.

SUCH DIZZY SPELLS I suffered from female trouble every month, ever since I was 16. I had such dizzy spells and backache that I would have to go to bed, and was so weak I could not get around for days at a time. Ever since I began to take Cardui, the dizzy spells and other female troubles stopped, and now I am well and happy. MRS. M. E. ALLRED, Hartford, Wash.

SAVED FROM OPERATION

The first three years I was married was the most wretched part of my life. I suffered everything with female troubles, had such bearing down pains I could hardly walk across the room, and was in awful misery. I tried several medicines without relief, and the doctor said I would have to have an operation, but my husband said no, and so I began to take Cardui. After the first three bottles I felt like another person, slept better, didn't have to be operated on and now we have a fine baby girl.

MRS. MABEL RAY, Wilmore, Kas

NEARLY CRAMPED TO DEATH

For nine years, I suffered with severe female disorders, was irregular, my back and side would almost kill me and every month I nearly cramped to death. I tried everything, without relief, and lost all hope, till one day I took Cardui, which toned me up so I can do my housework with all ease and now enjoy good health. SARAH J. HOSKINS, Cary, Ky.

DIZZY, DULL HEADACHE

I am 60 years old, and had female trouble, pains low down in back, a dizzy, dull headache, palpitation of the heart, and was so weak I could only sit up a little while at a time. I had one of our best physicians, but saw I was going down, rapidly, so decided to try Cardui. Before I had finished the first bottle I felt much improved and now that I have taken 10 bottles I am up, able to do my work.

MRS. E. BEATY, Lusk, Tex.

A TOTAL WRECK

Cardui is certainly the best and most wonderful tonic there is, to build up shattered nerves and for all to other female troubles. I have used it for myself and daughters. Before taking it, I was a total wreck, but after I began improved from the first and I know that

it saved my life.

MRS. EVELINE McGREW, Austin, Tex.

ALMOST A SKELETON

I was very weak from female disorders and was almost a skeleton. It tired me to walk just a little. Now, I do all the sewing, cooking, washing, ironing and general housework, for a family of nine (9), and haven't been in bed a single day, for over two (2) years. I think Cardui is the greatest remedy on earth.

MRS. LULA WALDEN, Gramling, S. C.

PAINS IN SIDE

₱ Before I began to take Cardui, I was so weak and nervous I could hardly be up and could hardly bear the noise of my children. I had such a pain in my side, it hurt me every breath. I also had a backing cough, could not eat well, fell off a great deal and lay awake at nights or else had scary dreams. Inside of one week, after taking Cardui, the pain had left my side and in three weeks I felt like another person. New I feel right well.

MRS. DORA STAUFFER, Wily, Va.

SAVED HER LIFE

I take great pleasure in telling you how Cardui benefited me, for I know it saved my life. I was troubled with flooding spells and other female troubles for years, and was so weak I could not walk alone across the room. I had not taken one bottle of Cardui before I was greatly improved and when I had taken two bottles, I felt like a new woman.

MRS. RUTH WILSON, Travelers Rest, S. C.

COULD NOT SLEEP

You know how sick I was, when I first wrote you for #advice and you told me to take Cardui. I had bad fainting spells, could not eat, was weak and thin and had such awful pains all over. I was so nervous, I could not go to sleep at night till about four o'clock in the morning. After taking 11 bottles of Wine of Cardui I am now well and strong; can eat anything, sleep all night, can do all my housework and feel better than in

MRS. F. G. PETERSON, Hershey, Neb.

FEMALE PAINS

I did not know that anything could stop female pains, from which I had suffered for two years, until I tried your wonderful medicine, Wine of Cardui. I had other female troubles besides, but was cured in a little while. Cardoi is a blessing to womankind. I recommend it to all my friends.

GERTRUDE GATLIN, Timberville, Miss.

80 IRREGULAR

I was so irregular and suffered from other female troubles, but I took three bottles of Cardui and it has done me more good than any medicine I ever took in my life. Now I am perfectly regular and on the way to health again.
MRS. MARY FREEMAN, Paint Lick, Ky.

WORKS LIKE A CHARM

I recommend Cardui to all my lady friends. I think it is the best medicine for female troubles. It works like a charm. I had suffered untold misery for 20 years, with various female troubles. I took all kinds of medicines, but nothing did me as much good as Wine of Cardui. Now I am regular, suffer no pain and am better in every way.

MRS. MATTIE CHRISTOPHER, Atlanta, Ga.

EASY CONFINEMENT

I cannot find words to express my gratitude to Wine of Cardui, for helping me in my last confinement. For-merly I suffered all day and night, but this last one was a fine big baby girl; she weighed 9 1-2 lbs. at birth and I was sick only 45 minutes. I never felt better in my life than I do now.

MRS. IRA GRAY, Budd, Ill.

NUMB SPELLS

I suffered with numb fainting spells ever since I was sixteen. I would be, sometimes all day, like I was dead, and could not talk or see. They spent hundreds of dollars on doctors, but nothing helped me. At last, about 4 years ago, I began to take Cardúi, and since then I have never had any more of those spells. I took five bottles of Cardui, and can truthfully say that it

That the meeting was in every degree representative of the business interest of this city was characterized by the fact that those present came from all the various industries and interests that go to make up the commercial life of this great city, and represented every vocation, from the humblest cierk to a successful captain of business.

Dr. James P. Smith asked the blessing, and after the main portion of the lunch had, been concluded Mr. Alexander arose, and in a few short sentences captivated the audience. Just before the conclusion of the luncheon, Rev. Thomas Semmes called on Governor Swanson, who responded in a way that took the audience by storm. "I am glad," said Governor above all, it carries into the heart of Swanson, "to be present at this meeting, and especially I am grateful that I have had the privilege of attending the meetings at the Auditorium. This is a great work, and one that has steadily grown in my estimation. When I was a young man at the Randolph-Macon College we thought that religion ought to be left to the preachers alone.
